Accredited Traffic Management Business, Central Queensland

Business Acquisitions Group, Civil Construction, Construction & Mining Division, is pleased to offer for sale an established traffic management business in Central Queensland.

Trading for more than 15 years, the business supplies accredited traffic controllers, traffic control vehicles,

signage and portable traffic lights to local government, road maintenance and utility clients, largely under

preferred supplier and standing offer arrangements. Operations are led by a long-serving Operations

Manager, with the owner working around 11 hours a week.

Key features

* Revenue of $6.09 million and adjusted EBITDA of $1.18 million (FY2026, draft accounts)

* 86% of revenue under preferred supplier and standing offer arrangements

* Principal client relationships held for more than a decade

* 49 casual traffic controllers, 21 with more than five years' service

* Fleet of 30 traffic control utilities with full signage kits, plus 15 portable traffic light sets

* Registered under the TMR Traffic Management Registration Scheme; ISO 9001 and ISO 45001 certified

* Commercial depot available by lease or purchase

* Offered on a cash-free, debt-free basis; owner retiring

A Confidential Information Memorandum is available to qualified parties on signing a confidentiality deed and completing identity verification.
