Established Online Sailing Coaching Platform Ready for a New Skipper

Sailing To Win (SailingToWin.com) is a turnkey online coaching platform for competitive sailors, built over years of content creation and audience development. An ideal acquisition for a sailing coach, instructor, or qualified sailor who wants to step into an established online presence rather than build one from scratch.

What you get:

3,564 email subscribers in a passionate, niche audience

272 Google-indexed blog posts with proven organic traffic history

Two book titles one published (560 copies in stock), one digital-ready manuscript

Membership site and sales funnels (ClickFunnels 2.0), fully configured

180 pairs of branded sailing gloves, ready for sale

269 daily coaching tips, ready for email sequences or social media

Full brand, domain, and intellectual property rights

This is a head start, not a startup. A sailing coach with knowledge to share could be earning from day one the audience, the content engine, and the product line are already built.

No premises. No staff. Run it from anywhere with a laptop.

Asking: AUD $19,500 (all assets and inventory included)
