High Return and Scalable Roof Restoration Business

With the trade work being done by a reliable team of contractors, the current owner of this business is free to focus on sales and marketing which has allowed him to grow revenue and show real profits each year above in excess of the owner wages and discretionary spending.

Established for 40years, the business comes with an excellent reputation demonstrated by qualified online reviews and ongoing word of mouth referrals. Marketing is done via an extensive website, video library, social media presence and Digital marketing channels which are all key to the businesses success. They are included in the sale along with a significant pipeline of future work including work in progress, quoted work and quotes approved but not yet started. The majority of the work is roof tile/roof painting type work.

3-4 Months work in hand ready to go
Contractors do all on-site work
40 year reputation and excellent online reviews
Scalable model with excess capacity

Licensed in QLD and NSW , the business provides predominantly roof related services across the Gold Coast and Northern Rivers of NSW. The seller understands that a new owner would need to obtain, or already have, the required licenses and is offering assistance to obtain the licenses if needed. Long term relationships are in place with a reliable team of insured Contractors who do all on site work.

A diverse range of services, all related to roofs leaves room for expansion and diversity of revenue. Currently run from a home office with no significant equipment. Some space helps keep profit margins High but can be outdoor and does not need to be undercover.
