AMAZING Hair Salon

Well established salon, in great location with multiple income streams.

It already has:

- 10 hair stylist chairs
- 3 Basin/washing chairs
- Separate tanning booth
- Beauty consulting rooms

The main drivers to success are all here, location, loyal client base, newly replaced plant and equipment. Adjacent to a major shopping centre but without the massive shopping centre rent, and an established loyal repeat client list.

All the stars are aligned for this business to take off, be quick because it won't last at this price.
