Established Louvre Roofing System in SE Brisbane

This business has built a strong reputation on both product and service over the past 35+ years.

The benefits in acquiring this business include

- At its simplest a measure, cut, assemble and install operation
- Long term relationships with builders and architects
- Extensive data base of customers
- Very strong word of mouth marketing along with the annual Home Show
- strong revenue from preventative maintenance program
- experienced installation crew in place
- Installing at cafes, childcare, high rise and residential

The new owners can grow the business knowing that the existing facilities can accommodate twice the work throughput. QBCC license required.

The seller is willing to stay on part time in a sales capacity.
