Niche market that is huge in the USA and gaining momentum here in Australia

Combination of shop front, online store and wholesale over 15 years in business with a fantastic reputation and following.

Huge scope for savvy entrepreneur (with marketing skills) to greatly increase the online and wholesale aspects of the business, supported by a great website and online presence - it's that type of business!!

At a glance

Huge potential to expand online & wholesale

Unique formula developed here in Australia

Australian grown, Australian made

Chemical free, non-toxic, ethical and cruelty free

Fantastic website and online presence

Social media includes Facebook, Instagram and pinterest

Winner of numerous state awards for excellence

All the hard work has been done, waiting for someone with vision (and marketing skills) to take to next level
