Electrical Test & Tag - Repeat Work, Lifestyle Business \$39,000 Negotiable

Mobile Services - no rent to pay, low overheads, choose your own hours

This is your chance to capitalise on an in-demand and essential service. The testing and tagging of equipment is required to ensure companies and businesses are compliant with health and safety regulations within Australia.

This is the perfect lifestyle business, not only does it offer flexible hours with consistent profits, but it also offers the ability to work when suits you

Well established, this business has developed a strong reputation and is known throughout the industry. This is the perfect opportunity for a motivated buyer looking to step out on their own or an established company looking to expand its operations.

With testing having to be undertaken on a regular and repeat basis, ongoing work is always ensured. The new owner will step into an array of already established relationships and jobs within a diverse range of clients

Key Features:

- Owner-operator business model (non franchise)
- Established reputation and relationships within the industry
- Opportunity for further growth and development
- Perfect lifestyle business
