Food Manufacturing and Catering Business

This Food Manufacturing and catering business comes with an established commercial kitchen and mobile catering setup. The extensive product range and sales channels plus forward catering bookings are all in place and ready to scale.

The high margin product range includes cooked and pre-packed food items, as well as complimentary products and condiments with long shelf life. Sales channels include local retailers and hospitality businesses but is also supported by a B2C Ecommerce site, catering and factory door sales. Distributor opportunities are available within and beyond Northern NSW.

- * High Gross margins
- * Extensive Product Range
- * Fully Mobile Catering setup
- * Forward bookings

A popular and fully mobile Catering setup can be deployed to Markets, large events and speciality occasions such as weddings. The fully food safety compliant Commercial Kitchen with 5 star council rating has all the equipment you need to service Retail and wholesale customer base. There is ample additional kitchen space available that could be used to increase production Capacity in the future if needed.

This business would ideally suit a food enthusiast but full training in the production process and catering logistics will be provided. The branding and food compliance work has been done so a new owner will be able to focus their time input into growing catering bookings and resale customer base.
