Fresh Seafood Processor + Outlets | Sales \$1.5m+

This well known seafood business operates from its purpose built direct-to-the-public-factory outlet which also includes a production cutting room, walk-in cold room and freezer.

At a sale price of \$394,800 + SAV that includes 3 specially designed refrigerated vehicles serving weekend farmer's markets and other regular locations, this business offers a great return on your investments.

The current owner also owns the processing and storage facilities and is happy to either enter into a short or long-term lease or to sell the premises with the business.

Reason to Buy:

- Sales over \$1.5 Million
- Purpose-built factory with excellent fit out.
- Processing room with walk in cold room and freezer.
- 3 specially designed refrigerated vehicles
- New long lease is available as the vendor owns the building
- Fantastic growth opportunities by expanding into new markets and online ordering

This fresh seafood business is an incredible opportunity for any hands-on operator or existing seafood retail or distribution business looking to expand.

With over 17 years in the market, it has built a strong reputation for providing the highest quality seafood at great prices.

The owner is willing to assist with a smooth transition by passing on this successful business's historical knowledge and intellectual property.
