Asking: **\$465,000 plus stock**  
Type: **Retail Other / Transport/Automotive**

### MARINE DEALERSHIP BUNDABERG Queensland New and used boats and service workshop.

Established for generations in Bundaberg, this is a successful business selling new and used boats, extensive marine equipment and has a large workshop.

The opportunity exists for new owners to take over a very healthy business, supported by a well-established local and growing customer base.

The business has a very popular product line-up, as authorised dealers for new Quintrex Boats and Suzuki Outboard Motors.

They also stock a wide range of Chandlery and spare parts for all marine applications.

These premises are on a one acre property allowing for generous boat display retail sales areas, a very big workshop and plenty of outdoor yard space for storage.

Income growth is consistent over 5 years.

2023 achieved over \$4.0M in sales trading in new & used boats, motors and electronics, accessories, chandlery, spare parts and servicing.

This community is thriving and expanding, driven by population growth, tourism and easy access to open ocean and inland waters.

This business has traded for 34 years, perfectly situated in a vibrant coastal city, close to some of the best recreational and commercial boating and fishing in Australia.

Current ownership has run for 19 years and now the owners are ready to retire.

The business has a fully equipped workshop, modern sales showroom and administration offices. The sale will include everything required to continue operating the business.

For full details and financial information call Scott at Business Brokers Network Ph 0412 247 369. Welcome to call me anytime for an initial discussion about the business.
