All business systems in place and training period offered to the successful purchasers

This business was originally established as a Smash Repair business in its current location in 1978. In 2009, the current owners took the decision to re-brand the business to better align with the local community's automotive requirements.

The business offers a diversified range of services that include panel beating, paint, detailing and refinishing, wheel repair, chassis alignment, and other related services. All business systems in place and training period offered to the successful purchasers

With the Current owners now retiring this business represents a great opportunity to for the next generation to take the existing business and the goodwill the current owners have built.

The premises are approximately 750 sqm in size, comprise of an upstairs office and meeting area and downstairs panel and paint shop including staff and customer parking.

A new lease will be offered to the successful purchaser
