### Building Services Engineering Consultancy Business for Sale #5400IN

This business has been operating for many decades and provides consulting extensive and successful engineering services.

The projects are diverse with a large amount of repeat business.

In the repertoire of services are mechanical, electrical, fire and lift services.

The seller has decided it is time to retire and has placed his business up for sale.

With sales well and truly back to pre-pandemic levels with the profit to the owner back above \$140k in 2022.

This would be a neat business to bolt on to an existing operation or for someone who wants to operate their own operation and overcoming the difficulty of establishing a client base.
