Bespoke Metal Fabrication Business | South East Queensland

This long established metal fabrication business is presented to market for sale.

The business has serviced south east Queensland for over 30 years, located in a purpose built factory in Brisbane. The businesses reputation is very strong in its market delivering and end to end service of design, fabrication, manufacture, powder coating and installation.

The company specializes in a large range of products including, aluminum balustrades, stainless steel, fencing, gates, privacy screens, louvre shades and powder coating. The staff are highly experienced which means that no job is too complex, a strong defining feature of this business.

The businesses turnover was circa FY2020 \$4.9 million, FY2021 \$5.3 million, FY2022 \$5.7 million with FY2023 continuing on current trajectory, with forward orders 12 months in advance.

Key selling points:

- Strong reputation for a superior product, competitive pricing & on-time delivery
- High value assets of modern and well-maintained plant & equipment - CNC, Powder coating
- Large purpose-built premises with room to grow
- Strong second tier management team of factory, site, estimators, CAD etc in place
- Accountants financials for qualified buyer
- Sellers open to transition period

Business asking price: \$1,270,000 + SAV + WIP
