### Leading Auto Parts Retail/Wholesale Net Profit Average \$246,782 Pa Northern NSW

Long established business with optimal projected FME \$246,782 to a working owner. A great team in place and both wholesale and retail trade just 30 mins from the Gold Coast. Great opportunity for balanced lifestyle whilst running a long standing business with solid history of trade.

Car and Auto suppliers Retailer/wholesaler in Northern NSW.

An opportunity to acquire a long established, growing franchise business in the auto parts industry in a great area of Northern NSW. This business has been running under the current owner for 21 years and has developed an excellent reputation with the customers by consistently providing quality parts and great service. With strong, reliable sales figures year on year, this business has maintained steady growth with regular sales figures servicing both retail and wholesale customers in their region.

Average Turnover of just over \$2,200,000 per annum over the last 2 years, with a long steady trading history. The projected revenue for FY 2024 remains steady projecting \$2,200,000 with an impressive PEBITA of \$190,105 for the full year figures.

This is an ideal business for a new owner to continue the growth and expand the already profitable model. A great opportunity for an owner operator to run a business with a balanced lifestyle with a long standing team in place. Apart from a national franchise brand, this business has the systems and support in place for the new owner and huge buying power from the group. Just 30 mins from the Gold Coast, a great opportunity for someone looking to relocate to the area.
