Leading Interior Property Styling Business NSW

Summary:

Dive into the world of interior property styling with this established agency in NSW. Led by two passionate directors with a flair for interior design and exquisite furnishings, this business stands as a testament to style and professionalism.

About the Business:

Positioned as a top-tier property styling agency in NSW, this business offers bespoke interior styling solutions for both residential and commercial spaces. With a legacy spanning two decades, it has extended its reach to prominent regions like Sydney and Newcastle. As a comprehensive solution provider, clients can expect everything from curated furnishings to full-scale interior design, all tailored to their unique needs.

Business Highlights:

Experienced Team: Benefit from the expertise of long-term employees.

Ready for Growth: The business infrastructure is primed for expansion.

Trusted Relationships: Enjoy established business ties that have thrived for over 20 years.

Market Dominance: A significant player in the property styling market within the Central Coast.

Consistent Profits: Despite the challenges of COVID-19, the business has maintained an average net profit of \$236,534k over the past four years.

Structured Operations: A well-organized business model with clear policies and procedures across all employment tiers.

Opportunity Awaits:

Step into a world where style meets business. Whether you're an interior design enthusiast or an entrepreneur looking for a profitable venture, this business offers a blend of creativity and commercial success.
