

# Rainwater Tank Business for Sale Sydney

## For Sale

Location: **Sydney**  
Asking: **\$1,050,000**  
Type: **Services-Other**

### Leading Rainwater Tank Manufacturer In Sydney Ready For Acquisition.

Are you looking for a fantastic opportunity to acquire a long-established rainwater tank manufacturer, installation, and servicing business in Sydney?

With over 24 years of industry experience and a purpose-built facility, this is your chance to dive into the lucrative rainwater tank market.

#### Key Highlights:

**Location:** Strategically positioned on a 2,314m<sup>2</sup> site in Sydney, this facility specializes in manufacturing top-quality rainwater tanks for both residential and commercial applications, providing end-to-end solutions.

**Infrastructure:** Boasting a 1,200m<sup>2</sup> warehouse/manufacturing facility with ample space, high clearance roller shutter access, spacious office areas, and essential amenities, the setup is second to none.

**Diverse Clientele:** The customer base is extensive, including commercial and residential builders, local councils, home renovators, public and private schools, as well as the rural and agricultural sectors.

**Ideal Acquisition:** Perfect for a trade professional seeking a strategic acquisition opportunity with a well-established facility and the potential to capitalize on the upcoming El Nino weather pattern.

#### Financial Snapshot:

Revenue:\*\* \$1,730,950 (FY 2023)

PEBITDA:\*\* \$399,876 (last 3-year average)

**Sustainability Focus:\*\*** Positioned in the ever-growing water sustainability eco-industry, this business has unlimited growth potential.

**Servicing Expansion:\*\*** Opportunities for expanding recommended servicing of rainwater tanks and pump systems.

**Flexible Premises:\*\*** The premises are vendor-owned, and flexible lease arrangements can be negotiated to suit your needs.

The owners are seeking to transition to retirement.

Don't miss out on this unique opportunity to acquire a thriving rainwater tank manufacturing business with a proven track record and a bright future in the water sustainability industry
