### Disability Services Registered NDIS Provider Tasmania Net Profit \$419,582 (2023).

This Specialist Disability Services NDIS registered provider is ready for a new owner to continue its success story. This is an exceptional opportunity to own a highly profitable and much-loved NDIS registered support business in Tasmania that caters to the diverse needs of the community. This unique business was created by the great need for support services in the area and with a dream by the owners to fulfil those needs and to ensure that each individual is given choice and control that strengthens their abilities to lead an independent, fulfilling life.

With a fully staffed and qualified team of 11 permanent part-time employees along with a good operational and accounting system in place, the business also operates a comprehensive client management system that allows open communications between employees and ease for remote working. The system synchronising with financial software to generate rosters, timesheets, incident reports, notes, tasks, participant funding budgets and more.

This business is positioned perfectly to capitalise on the expanding NDIS market, which offers tremendous growth opportunities.
