Well established Muffin Break in Coffs Harbour Central- Great location!

Muffin Break cafe - located in Coffs Harbour Central with regular clientele. Products made fresh and daily on site. Excellent coffee sales - with all equipment inclusive in sale price. Experienced staff. Great location with nothing to spend. Well run business by a multi-site operator. The business is supported by the leading franchisor - Foodco - who own Muffin Break and Jamaica Blue.

Regrettable sale - due to expanding their current business portfolio - located closer to their residence.
