Pool Servicing Business | Home Based

For over 25 years, this independent pool servicing business has been the go-to choice for countless pool owners, offering reliable and expert care.

Now, the time has come for a new chapter as the current owner looks towards retirement, presenting a sound opportunity for a savvy buyer to step into a well-oiled operation.

Key Features:

- A stalwart in the industry, serving clients for over 25 years
- Regular and dependable pool servicing
- Consistent and reliable income stream, providing financial stability
- Proven track record of success, offering peace of mind to the new owner
- Full training provided, ensuring a smooth transition and confidence in running the business
- Operating 5 and a half days per week, offering flexibility and work-life balance

With the ever-increasing demand for pool services, this business is primed for further expansion and growth, presenting a lucrative opportunity for the right buyer.

Comprehensive training and ongoing support will be provided, setting the new owner up for success from day one.

Dive into a rewarding business venture. Enquire now for further details.
