

Car Transport Business for Sale Sydney

For Sale

Location: **Sydney**
Asking: **\$750,000**
Type: **Transport/Automotive**

Car Transport Business For Sale - Earn \$8000 per week net - working only 20 to 30 hours

Business Background and History

This transport company specialises in the transport of cars in the prestige market. Very few competition in the transporting of second hand and new cars, fleet cars, luxury cars. Established for 6 years along the Eastern seaboard including Brisbane, Sydney and Melbourne. The asset list includes 6 interstate vehicles and 5 local vehicles. Good customer base with some customers spending up to \$35,000 per month.

Operating Hours

Monday to Friday 8.00am 4.00pm

Employees

1 x full time owner working 5 days per week approximately 20 to 30 hours, 2 x full time drivers, 4 contractors on ABN and 5 sub contractors when required

Lease

2 years lease remaining in Sydney and Brisbane lease is due to renewal. Both landlords open to new lease if required.

Potential

* Currently run under semi management. With the owner working only 20 hours a week

* The current owner is knocking back jobs and only cherry picking the jobs that he wants. There is easily a demand for about 2 to 3 more vehicles on the road. Adding an extra 20% to 30% more revenue for a motivated owner/ buyer

* Hire more inhouse drivers to add more profit. Currently there are only 2 full time drivers. There is potential to add 2 or 4 more full time staff to reduce the expense of using sub contractors

Reason for sale:

Genuine reason for sale owner looking to relocate and live overseas. Non-compete agreement signed as a part of sale

The Opportunity:

This business is in growth phase. All the hard work of setting up, building a good team of workers, regular customers and a good reputation is in place. There is ample opportunity for growth. The new owner simply needs to add more truck and more workers to scale.
