

For Sale

Location: **Sydney**
Asking: **\$1,200,000**
Type: **Transport/Automotive**

Aviation Business For Sale Regional NSW.

This is a well-established and thriving aviation business with excellent potential for growth. The business has CASA Part 141, 142, 135 and 138 certificates although most of the revenue today is derived from flying training. Significant potential exists to grow the business in areas other than flying training or through expansion of the core flying training activities.

The business comes with a fleet of single-engine aircraft, a CASA approved synthetic trainer, a training building, a hangar, a courtesy vehicle, a library and the CASA certificates with all operating manuals.

This represents an exceptional opportunity for an aviation professional to acquire a lifestyle business with a decent income or for an individual or consortium to purchase a strategically located footprint and operating certificates as a base for growth and expansion.

Annual Sales 2023: \$567,478

Profit 2023: \$166,130 (working owners earnings)
