### Cabinet Making Business South East QLD For Sale

LINK Brisbane is pleased to present the opportunity to purchase an established designer and installer of kitchens to the market. The business has been designing, manufacturing and installing unique designs and quality kitchens for over 30 years.

Having built a fantastic reputation amongst its customers, many of whom are repeat the business is very well-run and extremely profitable! This is a credit to the well-trained and self-reliant team of staff who perform business operations.

The business has an organised production line that includes modern machinery and tested systems. Operating from a workshop area with show rooms, offices and construction areas. There is potential for the business to be relocated as the current Owner owns the premises, but they are happy to provide a long, secure lease to the right buyer, or sell the freehold.

With ample work booked in advance and solid growth demonstrated year on year, the current Owners are boasting a substantial income. With a number of reliable long term customers this business has a great foundation for a new owner.

Plant and equipment is very well maintained and serviced.

The building industry is booming in Queensland and demand for the product is never-ending! This is an exceptional opportunity to grow through acquisition with a profitable, well-run business.

This business requires access to a relevant QBCC license.

Enquire now to discover more about this opportunity.
