### Chrome Plating & Polishing Specialists

Chrome Plating & Metal Finishing Business

This is your chance to own the business trusted by classic car restorers and those that look for quality finishes

Specialising in chrome, nickel, gold, copper, and zinc finishes, this well-established metal finishing business is the first stop for classic vehicle rebuilds, refurbs, and everything in between. From motorcycles and trucks to marine parts and stainless steel trims-if it's metal, this team can restore it.

#### Key Business Highlights:

FY24 Income: \$475,419 | Profit: \$91,074

Bookings Ahead with pipeline of work well into the next financial year

Specialised Services: Electroplating, die-cast restoration, stainless steel polishing

Suit owner operator

Premises 396m<sup>2</sup> with new lease available

Training Provided: Smooth transition guaranteed

This business is ideal for classic restoration enthusiasts, metalworkers, or anyone in the automotive and marine industries looking to expand or diversify.

If you love the smell of polish and the look of a freshly plated bumper-this business offers more than income; it offers legacy.

Note: Cyanide permit required.
