Chrome Electroplating Specialist

A rare opportunity to acquire a well-established and respected chrome plating business specialising in the restoration and re-chroming of parts from vintage & classic vehicles, motorcycles, boats, and trucks.

This business is a leader in electroplating, a specialised process that enhances and restores metal surfaces with high-quality finishes. The business offers a range of plating services, including decorative gold, copper, nickel, chrome, and zinc finishes. From large car bumpers to intricate nuts and bolts, they deliver superior craftsmanship with precision and care.

A key specialty is die-cast restoration, expertly resurfacing and re-chroming delicate and often damaged components. Additionally, the business provides stainless steel trim repairs and polishing, catering to the needs of classic vehicle enthusiasts and restorers.

Key Highlights

- FY24 Trading Income: \$475,419
- Adjusted Normalised Profit: \$91,074
- Specialised services: Custom chrome finishes, die-cast repairs, stainless steel polishing
- Skilled team: A small but dedicated workforce specialising in metal polishing and electroplating
- Facility: 396m² leasehold premises with a new lease available, subject to landlord approval
- Strong demand: Bookings secured well into 2025

Full training available for a seamless ownership transition

This business presents an excellent acquisition opportunity for:

- A buyer with a passion for classic vehicle restoration and metal finishing
- A business in the automotive, marine, or fabrication industries looking for a bolt-on acquisition
- A mechanically inclined individual looking to step into a niche industry

Incoming owner must obtain a cyanide permit to operate.

Full training available for a seamless ownership transition
