Gateway to Success in Sth East QLD Booming Construction & Renovation Industry

Are you ready to seize a golden opportunity in the world of construction and renovation?

This exceptional business is located between Brisbane Sthside and the Gold Coast in the construction and renovation sector, with an annual turnover of \$1,500,000, and is now available for sale.

Our seller, motivated by retirement plans, presents a unique opportunity for savvy investors to step into a business poised for future success, especially with the forthcoming Olympic Games. What sets this business apart is a rich history spanning over three decades, marked by a relentless commitment to building strong, collaborative relationships with clients, architects, designers, suppliers, and subcontractors. This cornerstone has consistently delivered quality projects and fuelled steady growth since the business's inception in 1992.

Why Choose This Business?

Dedicated to quality workmanship, this business offers peace of mind to its clients and a consultative approach to turning ideas into reality. With diverse specializations including Building Renovations, Office outs, Medical and dental fit-outs, Educational Institutions, Luxury Homes, Places of Worship, Retail, Health and beauty fit-outs, and refurbishments, and are ideally located between Brisbane and the Gold Coast. The business excels in delivering turnkey solutions, ensuring timely project completion without disruption, all under the management of a single Project Manager.

Integrity, open communication, reliability, accountability, and loyalty are the guiding principles deeply embedded within this business. These core values drive their operations, ensuring that every project is delivered with unwavering honesty, transparent communication, and a commitment to promises. Clients benefit from a reliable and accountable partner who places loyalty at the forefront of their enduring relationships.

Don't miss this extraordinary opportunity to invest in a thriving construction and renovation business that has a proven track record of excellence. The upcoming Olympic Games offer the perfect backdrop for your entry into this lucrative industry.
