About the Opportunity

Are you looking for a golden opportunity in the commercial cleaning industry? Look no further! Urban Clean, a renowned and successful commercial cleaning franchise, is offering an exclusive Master Franchise area on the Gold Coast. This is your chance to be a part of a booming market and reap incredible rewards by owning and operating the Master Franchise rights in this high-potential region.

Thriving Market with Vast Potential:

The Gold Coast boasts a large and diverse population, making it a thriving business hub with a multitude of establishments seeking top-notch commercial cleaning services. As the Master Franchise owner, you'll have exclusive access to this lucrative market, allowing you to capitalize on the growing demand for cleaning services in the area.

Unlimited Growth Opportunities:

With the Master Franchise rights, you'll be empowered to develop and sell unit franchises to aspiring entrepreneurs within the Gold Coast region. As the network of unit franchises expands, so will your profits. The potential for exponential growth is unparalleled, giving you the chance to build a substantial business empire.

Residual Income Stream:

As the Master Franchise owner, you'll not only benefit from the initial franchise fees but also enjoy a consistent stream of residual income from ongoing royalties paid by unit franchisees. This passive income will add a layer of financial security and reward your efforts in expanding the franchise network.

Unit Franchises (they do the cleaning themselves and communicate directly with their customers) sell for either (range of \$37,000 or \$59,000 and \$91,000) depending on which unit level sold and Regionals set them up and coach them to grow their business.

The Master Franchise receives a lump sum for recruiting a Unit Franchise and then a percentage of the Cleaning Contracts that their Unit Franchisees clean.

We are looking for qualified candidates with sales, business, and management experience. An ambitious entrepreneur seeking a proven business model with unlimited growth potential that's ready to thrive in any economic climate, this is your chance.
