Fast grow profitable warehouse and distributor Adelaide urban fringe

Price: \$420,000 include all equipment

Third-party logistics business available for acquisition. This B2B operation operates efficiently over 5 days (Monday to Friday) with no stock requirements, low rent, and minimal risk. The leasehold warehouse, spanning 1,500m², is strategically located near Adelaide CBD.

With no special storage requirements, the distribution process is outsourced to high-quality partners. Established for one and a half years, the business boasts matured systems, rapid growth, and profitability. The FY2023 turnover reached \$1,347,664.

The business features a stable and reliable staff team, a growing customer base, and significant potential for expansion. Ideal for an owner-operator with good English proficiency and solid financial capabilities.
