UNDER CONTRACT - Leading Niche Industry Manufacturer

An exciting opportunity has now become available to purchase this highly profitable Australian leisure industry manufacturing business.

An exciting opportunity has now become available to purchase this highly profitable Manufacturing Business, as a share sale. First time offered for sale in 23 years with three separate exclusive brands.

The business has been in operation since 2000 and the manufacturing side of the business is thriving. Distributors are knocking on the door for supply and an income stream that the owner has not entered. Nationally recognised brands and voted the Best Value and Best Self-Sufficient Product in the industry. A highly profitable business with expedient growth in recent years due to the product being Australian made and the expansion into bigger premises to cater for the demand. There is also an importing arm to this business included in the sale, that has scope for growth.

Well positioned in Queensland and with multiple locations for fabrication services and a showroom. Exceptionally well presented with a solid management team, sales team, and long-term staff in place. A solid handover will be provided for 6 months by the owner and this is the perfect opportunity to take advantage of the hard work that has already been done and to grab your foothold in this lucrative industry.
