Motorcycle & Power Equipment Business.

This regionally based motorcycle and power equipment business services a wide geographical region and has a track record of consistent profitability. The owner has operated the business for over 20 years and built a well-respected brand and reputation for high-quality customer service. This opportunity is suited to both owner operators or investors.

With more than 20 years of history, this business has demonstrated a healthy profitability through selling and servicing rural customers across Regional Queensland. It offers a wide range of products including new and used off-road bikes, quads, side x sides, power equipment, pumps and a large variety of parts and accessories.

It includes exclusive franchised rights to two major bike brands and additional sole appointed dealer rights to other product lines. This business operates in a convenient location with easy multi-front accessibility for customers plus a modern building that incorporates a retail shopfront, showroom floor, workshop and storage areas. The option to lease or buy the freehold land and building is also available.
