Sth East QLD Green Waste Removal Business (Work From Home)

Unlock the potential for success with the acquisition of a well-established green waste removal business. This is your chance to step into a lucrative venture in the environmentally conscious sector.

Key Details:

Proven Reputation: With roots dating back to 2002, this business has earned a solid reputation for providing reliable, affordable, and eco-friendly green waste removal services in South - East Queensland.

Financial Success: Boasting an impressive annual turnover of \$420,000 + and a net profit of \$185,000, this business has demonstrated financial success and a strong foundation for continued growth.

Expansive Demographic Reach: Serving a diverse geographical area, of 1,400 active clients from the Bayside Redlands to Burpengary/Redcliffe in the North, and extending to Ferny Hills, Moggill, and Jindalee in the West.

Customer Base: Includes homeowners on leafy blocks, body-corporates, real estates, business owners and more.

Experienced Team: the dedicated drivers are committed to giving excellent customer service, bringing a wealth of outdoor skills and knowledge to the table.

Innovative Approach: The business employs an innovative green waste removal solution, featuring sturdy wool bales on a metal frame with four times the capacity of a Council wheelie bin.

Commitment to prompt and efficient service, two dedicated full-time drivers with set runs allowing clients to be serviced once a month, ensure its customer green waste removal needs are met seamlessly.

Seize this exceptional opportunity to own a successful and environmentally responsible business. With the green industry on the rise, this business is poised for expansion and continued profitability.

Whether you're seeking an enhancement to your current business, embarking on your first entrepreneurial venture, or desiring a straightforward and easy-to-operate business, your search ends here.

Don't miss out on the chance to own a business that not only makes a positive impact but also delivers strong financial returns.
