

Art Framing Business for Sale Sydney

Art Framing Business Profitable with Huge Potential, Main Road Position

This family-operated business has been serving the local community for over 28 years for all picture framing and artwork. The main road position provides great exposure to passing traffic providing a growing client base.

High-profit margins and easily run by 1 or 2 family members.

Recent local development, including many new buildings and an influx of residents, has significantly boosted business. And here's the kicker two competing framing shops in Summer Hill and Ashfield have closed down, leaving the business in a prime, unrivalled position.

Now, as the founders look towards retirement, the business is offered for the first time and ripe for a new owner. The demand for framing services in the area remains strong, presenting a solid opportunity for someone with the right skills to step in and take over.

Owners can provide full training.

KEY CONSIDERATIONS:

1. Proven Community Presence
2. Strategic Dual Location
3. Growing Local Demand
4. Minimal Competition
5. Established Customer Base
