

Sheds, Patios and Carport Construction Business for Sale Brisbane

Sheds, Patios and Carports

This strong opportunity will suit a buyer with building and construction experience.

The Business provides the prospective new owner the following benefits:

- Strong systems & procedures
- Suppliers agreements
- Trained staff - sales and construction
- Funnel of booked future work

The business has presence in the market place, a simple & repeatable workflow of supply, install of steel frame buildings. The opportunity of strong future maintainable earnings under new ownership, should continue and grow upon the 20 years of successful trading.
