Some information about Concrete Taxi

Established in 2002 with 25 franchisees in Queensland, NSW and Western Australia

Concrete Taxi is suitable for small jobs requiring under 2 cubic meters of concrete or approx. 20m2 slab.

Customers include renovators, building companies, government departments

Marketing and job canvassing is done by the expert and dedicated Call Centre

Complete job packages are passed on to the Franchisee via a GPS messaging / tracking system

Most Franchisees successfully operate from home or landscaping yards

More information can be found at www.concretetaxi.com.au
