Brisbane Craft Brewery For Sale

This successful brewery has operated for more than 10 years and owners are ready for someone to take it to the next level. All the hard work is done! Besides the physical on premise sales of the brewery, the business has become a well sought after brand off premise with strong distribution through bottle shops and venues.

The asking price of the business does not do this opportunity justice but the vendors are realistic and set the price to sell. The sale includes over \$1,000,000 in assets, all recipes and intellectual property, training if required, trading names, the website, social domains and more.

The size, scale, liquor license, improvements, storage, capacity, and purposely chosen location are key attributes that any buyer will appreciate. Some of the owners do not work in the business with staff running the business on a daily basis, however key owner will stay on for an extended transition period.

KEY FEATURES/ SALE HIGHLIGHTS INCLUDE:

- Revenue over \$2,300,000 EOFY 2023
- Full brewery asset fit out.
