Great Business Opportunity

Are you an experienced detailer or automotive professional looking to enhance your service offerings? What Scratch SSR (Sprayless Scratch Repairs) presents a unique opportunity for you to incorporate our patented repair process into your current business offering.

What is What Scratch SSR?

What Scratch SSR is a revolutionary, patented repair process designed to virtually erase scratches on any auto finish. This incredible paint product takes only minutes to perform and can save your clients hundreds of dollars compared to traditional panel respraying methods. It is more effective and safer than wet sanding and can repair scratches that simply cannot be buffed out. With our simple-to-use product, permanent repairs can be completed swiftly and efficiently, offering your customers a hassle-free solution to unsightly scratches on their vehicles.

Why Choose What Scratch SSR?

Quick and Cost-Effective: With repairs completed in minutes, What Scratch SSR offers a swift and cost-effective solution for both you and your customers.

Permanent Results: Our innovative process ensures permanent repairs, leaving behind a flawless finish that will delight your clients.

Versatile Application: Scratch SSR is a fantastic add-on service for detailers offering cut and polish treatments, as well as a standalone business opportunity for anyone looking to specialize in scratch repair.

What's Included:

The sale price includes an 3 days training, an exclusive territory for your business, as well as a full kit of SSR colors and SSR polish, providing you with everything you need to get started and succeed in offering our premium scratch repair service.
