Outstanding Hair & State of the Art Beauty Salon Sunshine Coast QLD Business For Sale #5537BH2

Nestled in the lush hinterlands of the Sunshine Coast, this remarkable establishment occupies the historic "old bakery building," which has been an integral part of the town's heritage since 1909.

This exceptional business not only encompasses a top-notch hair and beauty salon, complete with state-of-the-art equipment and chic decor, adjacent to a vibrant restaurant precinct. It's a rare gem with a dedicated clientele of over 2000, an efficient booking system, and an impressive 11-year lease. Equipment and fit out cost the operator over \$150,000, but selling for \$129,000 for a quick settlement.

Whether you're seeking an escape from Melbourne's winter chill or you're an experienced salon owner looking for a fresh start, this is an opportunity you can't afford to miss.
