Luxury Home Design & Construction Business Brisbane Area

Established over three decades ago, this esteemed residential construction enterprise boasts an illustrious family legacy deeply rooted in the building sector.

Specialising in the design and construction of bespoke, luxury residences in the \$1 million to \$10 million dollar price range, this company's success is the culmination of the right design thinking, impeccable craftsmanship and exceptional customer service.

With a robust portfolio of ongoing projects, the business offers a seamless transition for prospective buyers, ensuring continued profitability and sustained growth. Its strategic positioning within the thriving South East Queensland market presents an enticing opportunity for industry veterans and aspiring newcomers, seeking to establish or expand their presence.

Boasting an impressive track record of over 30 years in the industry, the business has maintained an average gross sales figure of \$18 million over the past three fiscal years and an attractive average EBITDA of \$718,000 per annum. These figures not only underscore its financial stability but also attest to its ongoing success in the ever-evolving landscape of residential construction.
