Essential Service Business - 5 days - Cairns Queensland

2023 Adjustable profits (including owner's wage) = \$529,519. Well established, state of the art set up.

The business supplies and installs new fire prevention systems, repairs and maintains in situ dry and wet fire systems.

The service ensures that client systems are kept to optimum operating standards, compliant with government regulations and that insurance policies remain valid.

The business provides the best cost-effective fire detection, protection and maintenance management services and equipment in the market.

Locally owned and operated, they are committed to providing the best service, products and advice for all fire systems & equipment

- * Solid customer base
- * 12 and 24 month client contracts, some 5 years
- * Experienced, qualified staff

Qualifications necessary - upskilling from any current licenses outlined in Fire protection licenses | Queensland Building and Construction Commission
qbcc.qld.gov.au

Full training in this operation will be provided by the vendor after settlement plus ongoing assistance in the initial months.

Development and growth opportunities for a new energetic owner. Being an essential service means continuation of business as all businesses, apartment blocks, schools, community spaces and homes must comply to Government requirements.

Don't miss the opportunity to take over this well-run and state of the art business and be a part of a service looking after and protecting your neighbours and community.
