

Food Manufacturing Business for Sale Brisbane

For Sale

Location: **Brisbane**
Asking: **Total Investment \$4M**
Type: **Manufacturing**

Specialist in large wholesale orders

South East Queensland based business available for sale with on-going owner assistance.

This established business already holds a substantial manufacturing market share and is well positioned to ride an exciting new industry expansion into the future.

They are recognised and awarded within the food manufacturing community for innovation in cutting edge techniques and commitment to quality client care.

This will particularly suit a management team able to add value in sales to national corporate catering markets.

- * Current revenue circa \$12M + PA
- * Proven new cutting-edge range of products.
- * Competitive high gross margins locked in.
- * FY24 EBITDA tracking to \$1.2M PA
- * Plant & Equipment / Assets value above \$1.2M.
- * Fully managed / 42 employees / One owner not hands-on.
- * Plant capacity at 60% on single shift, - immediate growth opportunity.
- * Total Industry Value is recognised as above \$10B.
- * Factory and plant have all required industry accreditations.

Total investment value required will be around \$4M.

Offers an immediate opportunity to join a dynamic specialist in the national food manufacturing industry. This will suit an equity or associated industry acquisition based anywhere in Australia.
