After-Market Automotive Business With A 30% Net Profit Margin

Australia's leading supplier of after market fuel injection products is finally on the market.

This business has been operating for over 20 years, providing high-quality parts and accessories for performance and classic cars. With a loyal customer base, a strong online presence, and a well-established brand name you are acquiring one of if not the premier businesses in this industry with a huge scope to further expand internationally.

Included is a spacious and well-equipped warehouse and office facility in Melbourne, with low overheads and the chance to secure a long term lease. The business has a proven track record of generating consistent and growing revenue and profit. For the new owner, there is plenty of room for further expansion and growth.

The aftermarket automotive industry is huge and contributes over \$50 billion to the Australian economy alone. This opportunity will enable you to further claim this market as well as the much larger international market.
