

Surveying Civil Engineering & Town Planning Business for Sale Milton NSW

For Sale

Location: **NSW**
Asking: **\$1,600,000 - \$1,950,000**
Type: **Services-Professional**

Leading Business

A multi-disciplinary practice in a key growth market in NSW. Average Net Profit of \$580,000 over the last 3 financial years.

With a team of over 20 staff including registered surveyors, this business has an excellent reputation for providing development services to a range of private and public clients.

This business is ideally located in a strategic growth region of NSW with a strong market share in this area.

They have been exhibiting year-on-year growth and are on track to generate close to \$4M in fees for FY24.

The business contains an experienced and diverse team across surveying, engineering, and planning. The owner has invested strongly in the infrastructure of the business to support the team in delivering a quality service to their clients.

With a specialisation in land development, they service clients across residential, commercial, industrial, agricultural and infrastructure projects.

Future growth for this business is underpinned by loyal blue-chip clients who have long term projects in place.

The owner is seeking a strategic partner, with strong engineering capability, who is going to help compliment the business to capitalise on growth opportunities in this growth region.

Asking Price: \$1,600,000 - \$1,950,000
