Boost Juice Mobeel

Rare Opportunity to Own Two Mobile Boost Juice Vans Generating \$880,000 per Year!

Secure two fully operational Boost Mobeel vans (Lillie & Charlie) with established event lists and pop up sites, earning approximately \$880,000 annually.

Located in the vibrant Riverina Murray region of NSW, these vans are managed from Wagga Wagga, New South Wales' largest inland city.

Key Features:

- * Two fully fitted Boost Mobeel vans: 1 x tri-axle (Lillie) and 1 x dual-axle (Charlie)
- * Full list of events to maintain current trading levels with room for growth
- * Option to purchase a Nissan Navara (additional cost) for transporting vans to regional towns & events
- * Three-month mentoring, guidance & support from current franchisee who owns multiple Boost outlets
- * National franchise support & in-house training from Boost Juice Head Office
- * Ability to service other regional areas around Australia by negotiation, expanding income and profitability
- * Currently operated around 80% 'under management' with potential for owner operation to reduce costs or expand events

Additional Benefits:

- * This Boost Mobeel franchise generates an average SDE in excess of \$260k per annum without working a 9 to 5 job
- * Proven franchise model, set up and trading profitably
- * Opportunity to add events and potentially additional franchise territories

Act Now! Opportunities like this, with an affordable and competitive asking price (plus SAV), do not last long. Enquire now @ Acquire Business Brokers, a member of the BBNA, to secure your future in the thriving mobile juice business!
