Adelaide Transport Route Truck & Contract

Highly Profitable Car Carrier Business on the lucrative Adelaide-Darwin Route up for grabs! Featuring a 2017 custom-built Mack Superliner and a lucrative multi-year contract with a leading multinational in Australian vehicle transport. Operate from either Darwin or Adelaide. Simple business model with excellent weekly cashflow. Ideal opportunity for a new owner-operator or an existing transport business looking to expand.

Key Features of the business include:

- * Secure multi-year contract.
- * Flexible location: Darwin or Adelaide as home base.
- * Straightforward business model: all revenue sourced from the contracting company.
- * Weekly payments ensure strong cash flow.
- * Truck meticulously maintained by dedicated owner-driver.
- * Potential for increased earnings with expanded hours.
- * Current annual earnings approximately \$180k including a month off.
- * Trailers supplied by contracting company.
- * Independent valuation values vehicle at \$180k.
- * Handover assistance provided.

\$360,000 Asking price Includes Prime Mover valued at \$180k. Note that a requirement of contract is for driver to have a minimum of 2 years MC experience.
