An Australian based adventure travel wholesaler is on offer; this is a rare opportunity to gain entry into the profitable wholesale travel industry.

Adventure Travel Wholesaler .

An Australian based adventure travel wholesaler is on offer; this is a rare opportunity to gain entry into the profitable wholesale travel industry. The team based here in Australia create and manage bespoke travel itineraries focused on scuba diving and quote, book and manage all aspects of travel inclusive of flights, accommodation , land tours , scuba diving and transfers across the globe. They additionally take care of non-diving activities and tours as an add on for the land loving traveller with Global B2B connections helping them create lifetime memories in some of the worlds amazing destinations.

Catering to both group and individual bookings that derive from return clientele , retail travel agencies , scuba diving outlets and clubs on an outbound basis the business is a well-known and trusted . This bespoke business has a limited number of competitors and untapped potential and will sustain its success for many more decades . Please enquire on this amazing opportunity which has forward bookings out to 2026
