Veterinary Clinic for Sale in Port Vila, Vanuatu.

Privately owned veterinary practice, operating 26 years in Port Vila, Vanuatu.
Purpose built clinic, 2 years old, extensively equipped, 178 sqm internal, + 107 sqm external.

Predominately small animal practice and horses with expanding local beef cattle industry.
Established retail sales of imported animal food and accessories held in stock.
Additional business in official repatriation of animals out of Vanuatu to any country.

It is centrally located in the capital city of Port Vila and is the largest vet practice in Vanuatu.
The clinic earns income easily matching that available in AUS or NZ as a successful and stable multifaceted business.

This business offers an experienced or recently qualified vet an exceptional opportunity to live and raise a family emersed in the tropical lifestyle of a Pacific Island nation. Clients become friends, both in the local population and in the expat community who are from all over the world. Port Vila has quality international schooling choices for children and is a 3 hour flight from Brisbane and from Auckland.

For more information contact Scott 0412247369. The vet practice is offered for immediate sale as a fully operational and equipped clinic with owner's hand over period as necessary. Also available is the property and all clinic buildings, or alternatively a formal lease will be established.
