UNDER CONTRACT - Leading Land Surveying & Engineering Consultancy Sydney

Seize a rare opportunity to acquire a well-established surveying and engineering consultancy in Sydney.

With a strong reputation in land development built over decades, this business offers comprehensive land surveying, engineering design, and project management services to its loyal clientele. This is a prime opportunity for an industry player to expand their footprint in the Sydney market.

Key Highlights:

- A one-stop shop: with their multi-disciplinary service offering to clients
- Prime location: Servicing the South West & North West growth corridors of Sydney from their ideal premises
- Diverse project portfolio: across residential, commercial, and infrastructure sectors
- Quality management accreditation: formal systems and procedures in place
- Experienced and dedicated team: consisting of registered surveyors and accredited engineers and project managers.
- Strong financial performance with consistent revenue growth
- Growth opportunities: Potential for geographic and service expansion

Financial Highlights:

- Profitable: Demonstrated history of consistent financial performance. FY24 Net Profit in excess of \$600k p.a.
- Stable Revenue: Consistent year-over-year fee growth with further potential for expansion. FY24 professional fees in excess of \$2.6M p.a.
- Detailed Financials available upon request for serious inquiries.

Ideal for:

- Other Sydney based Surveying & Engineering Businesses: looking to expand market share, diversify service offering and acquire experienced resources
- Interstate & Regional consultancies: looking for a footprint in the Sydney market through a turn-key business with experienced staff and clientele.

Don't miss this opportunity to acquire a successful and respected business with a solid foundation and room for growth. Serious inquiries only. Contact us today to learn more and arrange a confidential discussion.
