Asking: **\$320,000**
Type: **Health/Beauty**

2 x Podiatry Clinics

For sale exclusively through Medical Business Brokers is this strong Podiatry practice located across 2 different shop front locations in western Sydney. The business founded in 2010 and expanded later through growth into a second site. With 4 full time Podiatrists and continuing growth the practice is suitable for an owner operator who will join the practice or an existing owner that is looking to buy further practices to expand their existing footprint. Stable revenue and excellent returns, the business continues to grow organically and there is scope to add further practitioners. There is also scope to purchase the freehold premises at one of the locations. Genuine reason for sale. Please contact Brian Hill at Medical Business Brokers.
