### Gold Coast Martial Arts Studio

An outstanding opportunity to own a dynamic and successful martial arts centre specializing in classes for children aged 3 to 13, with additional programs for teenagers and adults.

This business has seen steady growth and offers substantial potential for further expansion, particularly in the teenage and adult markets.

Evolving from traditional taekwondo to modern martial arts, the programs focus not only on physical fitness but also on personal development, helping students build confidence and life skills. The business is fully staffed with trained instructors and runs on efficient, modern management systems, ensuring smooth operations and high-quality service delivery.

Key Points for Buyers:

- \* Offers a variety of classes tailored to different age groups and skill levels, with multiple sessions available each week.
- \* Fully staffed with dual-trained instructors, ensuring flexibility in operations, and reducing dependency on any single staff member.
- \* Operates with state-of-the-art management systems and software for seamless scheduling, membership management, and financial tracking.
- \* Located in the rapidly growing Gold Coast region, offering high growth potential due to the area's increasing population and demand for fitness and personal development programs.
- \* Established customer base with long-term member retention and a strong reputation in the community.
- \* Significant opportunity to expand into teenage and adult markets, increasing class offerings and boosting revenue.

This is a unique opportunity to take over a well-established, profitable business in a thriving region, with a clear path for future growth. Don't miss the chance to lead this successful enterprise to new heights!
