Revolutionise Driving School Bookings! ACT Master Territory, Added Online Sales, No Marketing

Take advantage of this rare opportunity to own the ACT master territory for an innovative, fully automated platform that's transforming the driving school industry. This 24/7 online system is designed to streamline bookings and payments, delivering seamless service to students, instructors, and school owners all with zero marketing costs.

Why This Investment is a Game-Changer:

Zero Marketing Costs

Enjoy a steady flow of students through established partnerships with job provider agencies, schools, universities, and sporting clubs. No need for paid advertising or Google AdWords.

ACT License Sales Potential

- * Sell 15 territories for \$150,000 each, generating \$2,250,000 in total revenue.
- * Alternatively, onboard driving schools throughout the ACT, or do both!

Effortless Integration

- * Driving schools can easily integrate this platform into their existing websites, expanding their reach and boosting revenue without disruption.

Automated Revenue Stream

- * Every lesson and test automatically deducts a fee, ensuring a consistent and reliable income stream.

Built-In Microsites

- * Students can book directly with instructors through personalized portals, streamlining the process and ensuring steady growth.

Robust Infrastructure

- * A secure, scalable platform with direct access to developers for any customization or updates you may need.

Community Impact

- * Boost your brand's social responsibility by sharing a portion of revenue with local organizations, making a positive impact while growing your business.

Key Highlights:

- * Fully automated, scalable platform designed for the driving school industry.
- * No marketing costs, with proven partnerships and a continuous flow of students.
- * Multiple revenue streams: license sales, onboarding, and automated fees.
- * High growth potential across the ACT.

Don't Miss This Limited Opportunity!

Capitalize on a high-growth, scalable business model that's reshaping the driving school industry.
