Est. 20+ years | Leading Brand in Camping & Caravan Industry

LINK Brisbane is inviting expressions of interest for the acquisition of a highly regarded, family-owned business in the camping and caravan industry, operating for over 20 years.

Known for its unique designs and ISO-certified manufacturing, this brand delivers exceptional quality and service. With over \$2 million in ready-to-launch stock already landed, a new owner can immediately introduce these innovative products to market, bypassing typical startup and procurement delays.

As a value added importer/manufacture and direct-to-market seller, the business boasts strong international supplier relationships and considerable growth potential.

This is an ideal opportunity for a strategic buyer in the caravan, camping, and outdoor recreation sectors looking to expand their product offerings and brand portfolio.

The business also benefits from a skilled and experienced team ready to continue delivering excellence.

Additionally, the acquisition of one of the manufacturing freehold premises is available as an option.

Enquire now to complete the NDA and find out more about this opportunity.
